

NOTICE OF ACTIONS – Special Review of Accredited Internship Program
American Psychological Association - Commission on Accreditation
Summer 2024

At its meeting held July 17-20, 2024, the American Psychological Association’s Commission on Accreditation reviewed the accredited internship program, the Illinois School Psychology Internship Consortium. The program had not submitted required information, so in accord with the [Accreditation Operating Procedures of the Commission on Accreditation](#) (AOP) Section 1.3, the APA-CoA determined that the program had elected to voluntarily withdraw from accreditation, an appealable decision. An appeal of the CoA decision has since been filed and will be processed in accord with Section 2 of the AOP.

This notice of official actions by the CoA will be posted on the APA accreditation [website](#). For additional information regarding periodic review, including accreditation statuses and decision options, please see Section 8 of the [Accreditation Operating Procedures of the Commission on Accreditation \(AOP\)](#).
